Testimonials

Landon and the whole team were great to work with and provided a wonderful experience and a quality home. We couldn't have been more pleased with the process or the result.

- Brent B.

Landon at David Rogers Homes was great to work with on building and designing our custom home. He was very professional, was great at providing us quality options and staying within our budget, but most importantly, our house was ready in the exact time he projected. They have high quality contractors and stay on schedule. We have been in our home for almost two years and have had no issues, we love our home.

-Jason & Michelle V., Bacon Crest

I've heard horror stories about building your own home but this was the opposite of that. They made the experience enjoyable and timely. We couldn't be happier with our new home. We love everything about it!

- Lindsey C.

My husband and I just recently built a home with David Rogers Homes. This was our first home to ever build. The process couldn't have gone any better. Working with Landon Hale was great! He was very helpful every step of the way. The quality of the workmanship was also impressive. I just can't say enough good things about the whole team of David Rogers Homes!

- Mark & Tonjua S.
